

REACH – Information

SVHC- Materials

Dear Customer,

Acc. to article 33 of the EU Regulation 1907/2006 (REACH) we are required to survey our products if they contain materials on the SVHC-list and to inform you in case of a percentage > 0.1 % w/w.

At the moment we have no information that materials of the candidate-list, last updated 2017-07-07, are found in our products or will cross the concentration of 0.1 %.

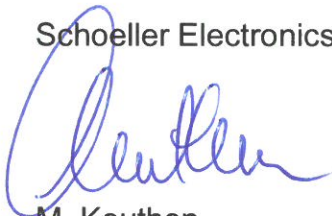

Should there be any changes we will, if necessary at all, inform you immediately.

Our contact person for REACH in our company is:

Mr. Ralph Junk (Environment, phone. no. +49 6423/81-349, e-mail: r.junk@se-pcb.de)
